Register of OneSpirit Interfaith Ministers

Your Unique Minister Profile

Membership with ROSIM grants you the unique advantage of personalizing a profile to vividly showcase your ministry on our website. On this dedicated page, you are free to display content that genuinely represents you, offering potential clients a clear insight into who you are!

Information to keep in mind

Your upcoming profile on ROSIM will be a reflection of you.

- Start with a **profile picture**, and optionally add more images that demonstrate your ministry, hobbies, and/or artwork.
- Fill out an '**About Me**' section to show your services' objectives, your ministry's values, a motivational quote, or perhaps your personal vow.

Viewers will learn about:

- Your geographical presence - both your base location and other areas where you are open to providing your services.
 - We've also added an option for you to display if you work remotely! Clients will be able to use 'remote' to search for ministers.
- The exclusive services you offer, such as ceremonies, reiki sessions, etc.

Your profile will feature:

- A concise **bio** to provide an overview before they explore your whole page.
- **Testimonials** you have accumulated over the years, showcasing feedback from clients or personal acquaintances.
- A **contact button** for facilitating direct and easy communication.
 - This will be directly linked to your ROSIM email - you'll need to contact admin to change this.

Steps to Build Your ROSIM Profile

Basic Steps: A user account has already been set up for you in our system with the email you registered for ROSIM and a randomly assigned password. This means a minister profile for you already exists, it just needs some personalizing.

Now that you're ready to spruce up your profile, here's a short list of how to do it:

1. Visit our new website, and click the 'Login' button.
2. Click 'Forgot Password' underneath the email and password fields.
3. Enter your ROSIM email. Click 'Get New Password.'
4. This will send an email to your ROSIM email. If you use any other email, you will not receive the password information. (If you aren't sure which email is associated with your ROSIM account you can check which email this newsletter has been sent to or contact admin@interfaithfoundation.org.)
 - a. Locate the email from our website containing a link to reset your password. The email will read: "Someone has requested a password reset for the following account: Site Name: OneSpirit Interfaith Foundation, Username: [Your first name_Your last name] If this was a mistake, just ignore this email and nothing will happen. To reset your password, click here." Click 'Click here.'
 - i. Check your spam folders if you don't see the email.
5. This will automatically bring you back to the website on a 'Pass Reset' page, where you can enter your new password information.
6. Once you do this, it will automatically refresh bringing you to the Homepage as a logged-in Minister.
7. In the top right corner, you'll see your name, a little avatar, and an arrow. Click the arrow to open a menu with various options (Dashboard, My Courses, Forum, My Details, Account Settings, and Log out).
8. Select 'My Details.'
9. This will open the 'Minister Dashboard' where you can access your account details, your courses, forums and more. The page titled 'My Details' should appear automatically. This is where you'll add information to your profile. If this page doesn't pop up, just click on 'My Details.' Click the purple 'EDIT' button at the bottom of the My Details page.
10. Simply follow the instructions on this page! It's straightforward - no complicated extras. Add your bio, location, services, etc.
11. Make sure that you select your current location and your services. If you don't do this, you will not show on any of these pages.
12. Click the box at the bottom that reads 'Show Profile for Public' if you want your profile to be displayed on the website. You must click this for it to be live.
13. Save the information you input by clicking 'UPDATE' at the bottom.

That's it! Now you can find your profile on the 'Find a Minister' page and any page that is relevant to your account (for instance, if you're a minister offering supervision, you'll appear on that page, and so on).
